

Radiance Refresh Submission Form

The ideal candidate for the Radiance Refresh is someone who desires a youthful, natural complexion! If you or your nominee has a combination of cosmetic skin concerns (examples: discoloration (uneven skin tone), uneven skin texture (such as acne scarring), lines & wrinkles, loss of firmness, loss of facial volume (sunken look), oiliness, dryness, pore congestion, acne, etc.) Radiance Refresh is perfect for you. Radiance Medical Spa will develop treatments that could help to transport this person back a few years and bring them back to a youthful, natural complexion! Dr. Ricks will come up with a personalized plan to help them achieve this, and they will have access to up to \$10,000 in free treatments and products!
